Formica® Panel Board

Standard Panel Product Offering

Formica® Panel Products are currently available in the Midwest and pre-approved nearby regions. All requests for orders outside of that geography will require approval from a Formica Group Sales Director.

NOTE: Other thicknesses, grades, and sizes available. Please contact your local Formica Group Rep for availability and lead times.

Face Sheets can not be cut to size for panels. All panel orders must use standard Formica® laminate face sheet size offering.

STOCK: Board is stocked in the warehouse. Lead time is 72 hours + standard HPL lead time.

MTO: Board must be ordered with an estimated lead time of 4-6 weeks (lead time subject to change pending board availability). MTO items should follow the standard NIR process for new SKUs.

N/A: That is not an available HPL face sheet size for purposes of laying up on panel.

ESTIMATED PANELS PER SKID: 1/4" = 73   11/16" = 30   3/4" = 28

FORMICA BALANCER RECOMMENDATIONS:
*Critical applications should always be balanced with the same grade.

HPL Horizontal Grades 10/12:
Grade 10 = Backer "99"
Grade 12 = Backer "C2"

HPL Vertical Grade 20:
Grade 20 = Backer "91"

ColorCore®2 Laminate:
Grades CC/CD - Cabinet Door & Case applications can be balanced with Grades 10/12/C9.

Colorcore countertop applications can be balanced using either Backer 91 or 99.

DecoMetal™ Metal Laminate:
Grades 82, 84, 85, 86 - Cabinet Door & Case application may use a C9 as a balancing grade.

MOQ: Orders less than 10 will have a $120 charge.
